

SUPPLEMENTAL DECLARATION
(CIP Application)

My residence, post office address and citizenship are as stated below next to my name. I believe I am the original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled: "*Method for Making a Composite*," the specification of which was filed on September 29, 1999, as U.S. Patent Application 09/407,278.

I have reviewed and understand the contents of the specification, including the claims.

I acknowledge my duty to disclose information which is material to patentability as defined in 37, Code of Federal Regulations §1.56(a), including any material information which became available between the filing date of the prior application and the filing date of this continuation-in-part application.

I claim the benefit of U.S. Patent Application 08/629,120, filed April 8, 1996, now U.S. Patent 5,746,553.

All statements I make of my own knowledge are true. All statements I make on information and belief I believe to be true. I make these statements with knowledge (1) that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and (2) that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Full Name of First Inventor: **Dwight L. Engwall**
